WELLBEING STARS

Each week we work on developing skills regarding mental health and wellbeing with the children. This certificate celebrates those who have shown a great understanding in this week's focus for their class.

Nursery	Lottie	Lottie has shown our improving value this week. She has been working hard in phonics and independently challenging herself in the learning areas too.
Reception	Ronan	For developing his imagination in his creative play! Playing 'schools and teachers' and inspiring others to do the same.
Year 1	Tairah	This week, Tairah has helped others with their work without being asked.
Year 2	Harley	For Caring: This week, Harley has been unwell so initially found it hard to settle back into routine. However, he has persevered and ended the week fantastically demonstrating what a caring role model he can be!
Year 3	Tommy	Tommy has really shown the Caring value towards the SATs this week. He has asked questions about them, reflected on how he felt in his year 2 SATs and has made good choices when moving around the school. I'm sure Mr Roberts and Year 6 are very grateful Tommy.
Year 4	Nieve	Nieve has been a fantastic support to those around her. She is always doing the right thing and trying her best within the classroom. Nieve, you are a joy to have in the classroom!
Year 5	Isobel	Even after an injury to her finger this week, Isobel has not let it stop her getting on with her work in class. Well done for your determination to try and write.
Year 6	Rosie	This week, Rosie saw that one of her friends was upset at break time and spoke to an adult about it, which meant it could be sorted out straight away! Keep it up Rosie!
