Meet Mrs Stokes

- I have been working at Discovery Academy since April last year.
 Before that, I worked at Greenfield Academy in Hyde for 20 years.
- I have taught Year 1 and Year 2 over those years and was the English Lead.
- Before getting into teaching, I worked behind the bar in the Jolly Carter Hyde and behind the checkout at Asda in Hyde.
- I've been happily married for 17 years and have two daughters, one in Primary school and one at Secondary school. Both are creative, a crocheter and a guitar player and they keep me on my toes.
- -I know how hard it is to be a busy working parent!

Our Values

Our Values	For adults this means:	For our pupils this means:
Discovering	Seeking opportunities to expand knowledge and experience;	Finding out about our world we live in;
Inspiring	Encouraging all to be as creative and motivating as possible;	Making somebody else want to do something positive;
Caring	Providing support and guidance for the whole school community;	Looking after each other and thinking about others;
Improving	Striving to better ourselves at all times; and	Getting better at things because we keep trying; and
Achieving	Teaching to attain aspirational targets.	Getting something by working hard for it.

Our Curriculum

Three key drivers are interwoven into the curriculum:

- Cultural Diversity;
- Gender Equality and
- The Value of Education

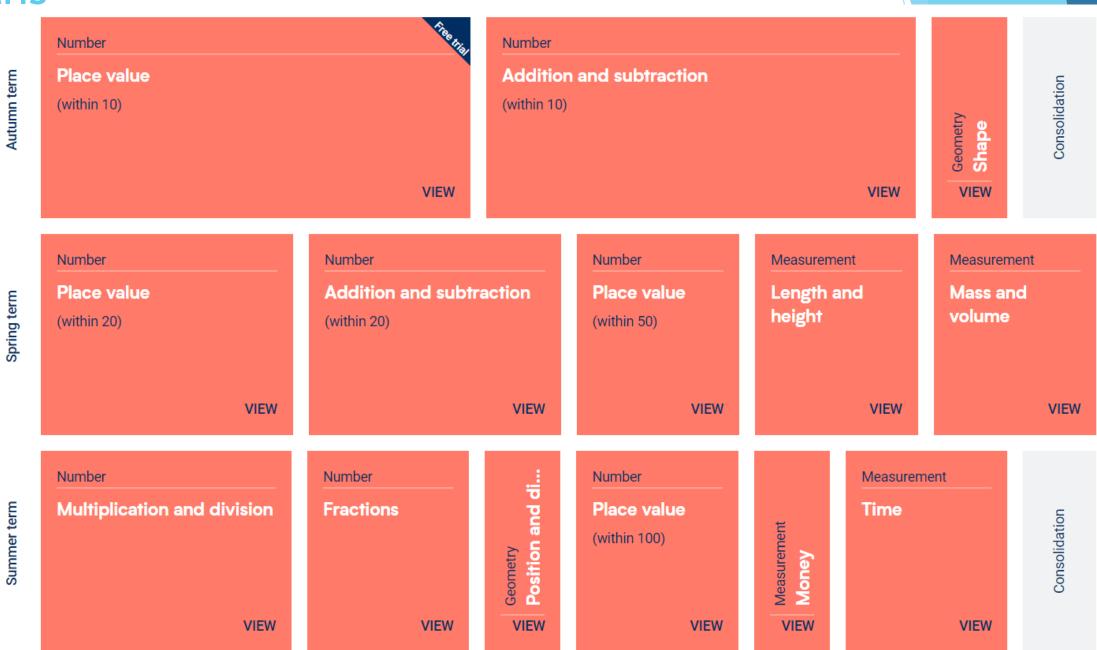

History and Geography lead the themes.
